To whom it may concern:

Mr. Jordan Benner has attended and successfully completed 96 hrs of AutoCAD drafting training at Lone Star College.

The classes Mr. Benner completed were

- Introduction to AutoCAD
- Intermediate AutoCAD
- Advanced AutoCAD 3D

Mr. Jordan Benner has very good attendance and worked well with the other students in class; he was always willing to help fellow classmates and excelled at all the AutoCAD drafting skills presented.

As his instructor for the past three months I have no reservations in saying that his character, professionalism, and AutoCAD skills will be great assets to your company. Please give Mr. Benner an opportunity to use his AutoCAD skills and add to the successes of your company.

Thank you
